Dear _____,

If you're looking for a career breakthrough...a way to make great money surrounded by a multitude of smiles and tons of giggles every day... then you have come to the right place! You're about to discover the most exciting career opportunity this economy has ever offered with an earning potential that's being talked about everywhere, ever since the U.S. Department of Labor made the announcement about a career in demand and one you are sure to love...guaranteed!

***Are you feeling STUCK with your current livelihood...
either you don't have a job or you're in a career rut with your current job?***

***Are you LACKING THE INCOME you deserve...
and working in a dead-end position that isn't rewarding, not paying the bills...
no joy, no fun, no future in sight?***

***Do you find yourself CRINGING any time someone asks:
"Where do you work?" or "What do you do for a living?"***

It's a difficult spot to be in and I want you to know you can put an end to the boredom and drudgery of an unfulfilling work life today! Whether you know it or not, your career weighs on you emotionally and impacts your personal life. Working for a living should be rewarding.

The good news is your life will absolutely change for the better once you make the commitment to become part of one of the hottest fields and best kept secrets in career opportunities today!

Let me tell you how you can begin a rewarding career working with us.

Imagine what your life could be like with a stable, high paying, interesting, joyful, and highly respected job helping kids. You would earn the respect you deserve and finally have the life you have always wanted for yourself and your family.

Have you ever dared to dream that you could one day have a career earning a respectable income, that is satisfying every single day, involves having fun and being surrounded by smiling little faces who appreciate you? This is the life of a Pediatric Dental Team Member.

My name is _____ and I'm going to be very upfront with you because what I am about to share with you is an once-in-a-lifetime career choice. Being in the Pediatric Dental Care Industry is not only rewarding, it is important work! Making a difference in the lives of children is something to be proud of. Now you too can be part of this amazing field!

But let's first reflect a bit on the challenges you currently face in the job market so you can see if entering the world as a Pediatric Dental Team Member is the right fit for you.

When you have to work just to make ends meet, living from paycheck to paycheck, you often don't have time or energy left to think about making a career change, or any kind of life change! ***But, deep inside, you know there is more to life than this***—you know there is a more abundant life where you don't feel trapped, but have the resources to invest in yourself, grow, and be proud of what you accomplish day in and day out.

If you're feeling a little frustrated or lost in your life or career right now, and you just aren't sure which way to turn or what to do next, then know it doesn't have to be that way...

Quick Quiz

Check off how many of these challenges apply to you:

- ☐ You need a solid income that you can depend on.
- ☐ You and your family need more money. You really want to do better and have a job you can count on with set hours so you can plan your day, and week, to be there for your kids and loved ones.
- ☐ You want to get better. But how can you do better? What's out there for you?
- ☐ You want a career. Your kids are grown and gone now. You have a gap in your employment history and very little experience. You don't really feel like you have any skills that can be marketed but you'd like to help people and really like kids.
- ☐ You think going back to school and getting some additional training might help, but you're not really sure what direction to pursue.
- ☐ You don't really know what you want to do, but want an opportunity to make more money.
- ☐ You'd like a job that has specific hours so that you can plan your life.
- ☐ You want something you can be proud of, something you can feel good about. You're not sure what you want and aren't even sure where to begin looking.
- ☐ You know you are a capable person. You have some skills and really want to help people. You need to find something quickly because you don't have much savings.

If you checked off more than three challenges, then you need to seriously consider whether the career option offered here is the right fit for you. Don't waste time on worrying about how you're going to do it. Everything you need to achieve the financial and life success you desire by becoming a Pediatric Dental Assistant is all right here.

Becoming A Pediatric Dental Team Member involves acquiring skills that you can learn and master regardless of your educational background. AND, the best part is, once you have those skills, *nobody can ever take them away from you!*

As a Pediatric Dental Team Member:

- ✓ You'll have a dependable, daytime, set-hours job, making a good wage.
- ✓ You can provide a nice home, pay your bills, drive a good, dependable car, provide healthy, nutritious meals for your family, have pizza nights, go out to the movies and enjoy other fun things like vacations!
- ✓ You can arrange your days and weeks because you have a set schedule.
- ✓ You can rest at night knowing everything is taken care of.
- ✓ You have a career you can be proud of.
- ✓ Have a job that allows you to help families be healthier and happier
- ✓ Can finally have the income to pursue that hobby you have always wanted to do, take fitness classes, cooking classes, paint, go out with friends to dinner and a movie
- ✓ Have coworkers you can interact with both inside the office and out...if you choose to.

If the benefits of being a Pediatric Dental Team Member sound good to you then you owe it to yourself to explore this opportunity. You won't regret it.
